Q: On trip days, what time do field trips return?

A: All trips, unless otherwise noted, return 4:00-4:30pm. Please check the weekly schedules and bulletin board for updated times.

Q: How do I get my child's immunization records?

A: Please call your physician and ask for them to e-mail or fax them over to us. Most will fax a "camp form" saying they are up to date on all their immunizations.

Q: Can I send my child with a tablet, cell phone or Nintendo?

A: Please do not. Generally, electronic devices are only permitted on field trips, unless otherwise stated by the Head Counselor. This is to prevent loss & damage of valuables and electronics.

Q: My child forgot their Camp Shirt can they still go on the trip?

A: No. Any camper going on a field trip with Camp MUST wear a Camp Shirt (including BEACH DAYS). Extra shirts are available for \$10/each. We recommend having an extra to make it easier throughout the summer.

Q: Can I send my child with a lunch that needs to be heated up or \$\$ to order lunch?

A: Please send your child with a lunch that can be eaten anywhere. When it is nice out we eat outside or over at the parks.
